Dear Mr. Pierret:

Your letter of June 30, 1981 requested the inspection report and analytical results from the June 23, 1981 inspection of your Muskogee facility by Ecology and Environment Incorporated.

The inspection report compiled by Ecology and Environment (E&E) includes the results of any samples collected during the inspection. The analytical results from samples collected at your facility are not yet complete, so we have not received a report from E & E. As soon as the report is received by this office, we will forward a copy to you.

Thank you for your cooperation in this matter.

Sincerely,

Gerald Fontenot, Chief
